### **Church Recorders' Report**

Church Recorders continue to make good progress at St. Christopher's Church. As before, we meet on the first two Wednesdays of each month, with a break in August. During November this year we plan to work for two whole days, which should help towards our intended finishing date for the recording which will be at the end of our second meeting in December. We shall then begin work on the compilation which will encompass a great deal of work and co-operation. We plan to finish the Record by Easter.

The West Surrey Area Representative visited us in July and he kindly suggested that he would visit once more before completion of our work.

Three of us attended a N.A.D.F.A.S. Church Recorders' Silver and Textiles Course at St. Agatha's Church in Portsmouth in late July. The course was interesting and gave us much food for thought.

We have a very enthusiastic Church Recorders' Group who work hard outside the regular meetings at the Church. Our compiler, who also leads the photographic work, has given a huge amount of her time and effort to our project.

**Jan Wickens.**
